

-  **Very inconspicuous**
-  **Compact**
-  **Multipurpose**
-  **Easy and quick mounting**

The **RB-301** is an ABS speaker with halogen-type loudspeaker. Its size and weight make it one of the most inconspicuous on the market.

Its mounting device is adapted to any type of false-ceiling, which guarantees easy and reliable mounting as well as rapid and simple maintenance. Its tropicalized membrane ensures an enduring and humidity-resistant installation.
