

Made in  
France

-  **High acoustical quality**
-  **Compact**
-  **Solid**
-  **Easy installation**

The **RB-34** is a spherical enclosure-type speaker fitted with a 12cm dual-cone loudspeaker. Thanks to its swivel base, it can be put, clung or suspended and can be oriented in any direction.

Its body made out of steel is highly resistant, which enables its use in all types of environment. The Optiself device allows to change the power easily once the item is already installed.
