

# RB-4061

## Speakers Cabinet loudspeaker

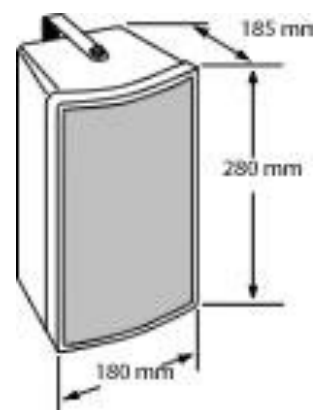

Made in  
France

- Excellent musical reproduction
- High intelligibility
- Easy and quick installation

The **RB-4061** is a 2 ways enclosure-type speaker, fitted with a 13cm loudspeaker associated with a woofer, a tweeter and a bass-reflex output. Its fixing system facilitates its orientation and makes its installation easy and quick. It can be fixed either to a wall or to a ceiling.

As it is fitted with a power switch on its back, power selection is simplified and rapid.
