

-  **Wide coverage**
-  **High intelligibility**
-  **Multipurpose and inconspicuous**
-  **Easy and quick mounting**

The **RB-501** is a sound speaker fitted with tropicalized dual-cone loudspeaker and metal grid. It offers excellent background sound quality.

Its mounting device, particularly studied by our engineers, is suitable for any type of false-ceiling, ensures easy and reliable installation and allows quick and simple maintenance. It can then be used in any type of environment (including damp places).
