

RP-2020

Speakers Sound projector

Made in
France

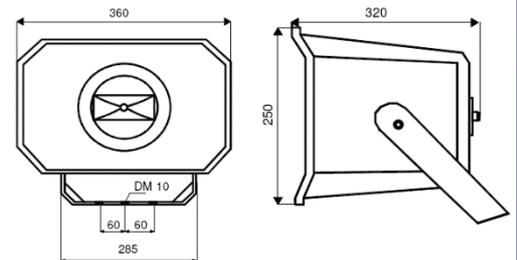

- High efficiency/ Wide Band
- Protection degree IP 66
- Harsh Environments
- Easy installation

The **RP-2020** is an 8Ω sound projector..

This speaker is the IP speaker RP-2020-NW slave. Its exponential projection technology combines broadcast range and intelligibility. Its ABS body, combined with stainless steel screws and bracket aluminum, particularly suitable for harsh environments and ensures a reliable installation.

It is particularly suited to urban distribution systems, to increase the area of transmission of RP-2020-NW.
