

-  **Exponential projector**
-  **High performance / broadband**
-  **Increased directivity**
-  **Large frequency band**
-  **Harsh environments**

The **RX-B01** is a horn-type sound projector speaker. It combines acoustical performances of a sound projector and a horn loudspeaker. It allows to get a high public address sound quality together with a long range.

Its body out of ABS, its stainless steel screws and fork out of aluminium are perfect for harsh environments and guarantee an enduring installation.
