

RX-B02

Speakers Sound projector

- Optimized performance
- High directivity
- Large frequency band
- Harsh environments

The **RX-B02** is a horn-type sound projector speaker. It combines acoustical performances of a sound projector and a horn speaker. It allows to get a high public address sound quality together with a long range.

Its ABS body, its stainless steel screws and its aluminium fork are perfect for harsh environments and guarantee an enduring installation.
